

■■ Request for Security Guard Services

Shomrim of Baltimore, Inc.

3014 Fallstaff Rd, Unit A · Baltimore, MD 21209

Project Overview

Shomrim of Baltimore, Inc. is seeking proposals from **licensed and insured security companies** to provide **on-site security personnel** at its Fallstaff Road headquarters. This project is funded through the **Governor's Office of Crime Prevention and Policy** under subaward number **PAHC-2026-0006** and administered with support from **Grant Guardians LLC**.

Key Details

Contract Type:	Labor Hour
Period of Performance:	Through June 30, 2026
Maximum Contract Value:	\$50,000
Location:	3014 Fallstaff Rd, Baltimore, MD 21209
Award Type:	Subcontracted security services under a state grant

Scope of Work

Provide **on-site personnel** for assigned shifts as scheduled monthly
Support community safety and deterrence through **professional demeanor and presence**
Take calls and submit incident reports through Shomrim's proprietary software in real time
Update previous call records in the system as needed
Advise on **security best practices**, including patrol routes and post placement
Utilize **camera systems** to monitor active situations and/or retrieve footage for authorized partners
Maintain valid **UEI registration, licensing, and insurance** throughout the contract

Proposal Requirements

UEI number (registered on SAM.gov)
Proof of current security license and insurance
Proposed hourly rate(s) and billing frequency
Documentation of experience providing unarmed security in community or nonprofit environments
Primary point of contact information

Submission & Contact
